City of Somers Point – August 15th 2023

The City of Somers Point was awarded the New Jersey Department of Transportation's (NJDOT) Fiscal Year 2023 Safe Streets to Transit Program for Somers Point City Shore Road Pedestrian Improvements in the amount of \$861,000.00. The NJDOT is committed to principles that promote Safe Streets to Transit. The program utilizes Transportation Trust Fund dollars to improve safety and accessibility for mass transit riders in the vicinity of transit facilities. These funds serve to advance transportation initiatives without burdening local property taxpayers.

The City of Somers Point and Atlantic County are seeking public input at a forum scheduled for September 14th, 2023 at 6:00PM to be held at the City's Council Chambers in the City Hall (located at 1 W. New Jersey Ave, Somers Point, NJ 08244). It is anticipated that this forum should last an hour and will provide the public with an opportunity to have a dialogue with the City and County leadership and professionals regarding the prospective project and use of these funds for pedestrian improvements along Shore Road.
